ICT TRIP - DRONES & ROBOTS

A team of four ICT students accepted the challenge to programme drones and robots to compete with eight other Liverpool schools. The event took place at Toxteth Annexe and whilst they didn't win the event overall; the boys had some real successes in some of the challenges. They won the first Sphero heat, but came 5th in the final race of the day. The organisers commented on how sensible they were, and we are now the proud owners of a drone that will be used for extra-curricular ICT groups in the coming months.

On Friday 22nd March Roj's work appeared in @LivEchonews It's an amazing story about her family's journey from Syria to Liverpool. There aren't many Year 10 students who've been published in a newspaper. @PaddyShennan has written about it in his column today. @GreenoughTg #LWQM

St Francis of Assisi @ACADEMYSFA · Mar 21
12 students, chosen by our Drama teacher @asfadrama, are at Anfield for a Careers Networking event. We're honoured to have the opportunity to hear from special guest Sue Johnston. Thank you @Red_Neighbours

Nugent @wearenugent · Mar 20
Many thanks @ACADEMYSFA & @ASFachaplain for choosing us as one of your partner charities at school & your continued generosity. How good does your #charity corner look? Is that Woolly our Good Shepherd mascot in the background? #nugentgoodshepherdappeal

St Francis of Assisi @ACADEMYSFA · Mar 29
Today was the day that Y8 took on the Tunnock's Teacake Challenge...and they rose to the challenge...take a look!

St Francis of Assisi @ACADEMYSFA · Mar 27
Great to see two of our former students back with us on work experience. Alexandru is helping in the kitchen and Khadeja is helping @ASFachaplain Phil prepare for a project. @GreenoughTg
