Dear parents and guardians,

Re: Face Masks

As of Monday 17th May 2021 students are no longer required to wear face masks in school, unless we are specifically requested to by the Local Public Health team. Staff and Visitors will be expected to wear a mask outside of the classroom if social distancing is not possible.

Face masks must to continue to be worn on public transport and in shops as part of the national guidance.

We understand that some students may wish to continue to wear a face mask in school and we are happy for students to do this up until Thursday 27th May 2021.

Face masks will no longer be provided by the Academy and masks worn by those students who wish to do so must be plain black or blue or an ordinary surgical mask.

Thank you for your support.

Yours sincerely,

Kevin Maddocks
