Dear parent/guardian

Liverpool City Council – help and advice re fuel bills

With increasing pressure on the cost of living there are heightened effects on some of our most vulnerable families. One of these is the risk of homelessness and poor quality or inappropriate housing.

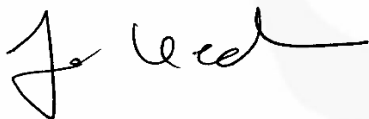

The council's Healthy Homes team can provide free help and advice to people struggling to pay fuel bills, and energy saving hints and tips to help keep warm and bills low. They may also be able to help with replacement boilers and windows.

Visit [Save money and get help with your fuel bills - Liverpool City Council](#)

or call on freephone 0800 0121 754.

If you are really struggling and need support please get in touch with us via your child's Head of Year - Mrs Mitchell mitchelll@asfa.allsaintsmat.org or email us at info@asfa.allsaintsmat.org

Best wishes

Ms J Leech
