Dear Parent / Carer

Year 7 Parents' Evening (Wednesday 24 May 3.30pm – 6.30pm)

We are looking forward to seeing you at our Parents' Evening. It is very important that you and your son/daughter attend this event.

We are working hard with your child to maximise the progress that they make this academic year in each of their subjects and really value your support.

At the Parents' Evening you will have the opportunity to:

- Meet with your child's subject teachers for confidential discussions about their progress.
- Look at their scores from assessments taken so far this year.
- Discuss what support is available to help with preparation for future assessments.
- Speak to Mrs Mitchell, Head of Year, to discuss any concerns or issues which you feel we should know to support your child.
- Speak to one of our SENCOs about any concerns if your child has any additional needs.
- Have support to help you sign up to use Arbor (our parental messaging app).
- Access additional information about the importance of sleep and mental health support.

We hope to see you on Wednesday 24 May. Thank you for your support.

Yours sincerely

Ms J Leech
Headteacher
