

30 October 2023

Dear families

### Y11 revision and preparation for Y11 mock exams

We wanted to share some important information and key dates with you as we prepare for the Y11 mock exams.

You should have received an information booklet, either in person at the Year 11 Information Evening or your child should have collected one in school. This booklet has already been emailed to you and is attached to this email too. The booklet is important as it gives details from all subjects regarding the exam specifications, coursework and suggested revision resources and websites. Booster sessions to support with revision will begin on 13 November. We expect all students to attend these sessions which will provide valuable preparation for their GCSE exams.

Your child should have received their Summer 2024 Exam Timetable. If they haven't brought one home, they can collect one from Mrs. Diamond (Exams Officer), Ms McKechnie (HOY) or Mr Hepke (Assistant Headteacher). We will email this to you later in the Autumn term.

Before half term, many subject areas provided revision material in readiness for the mock exams. It is important that your son/daughter makes a start on revision over the half term break and the next few weeks.

### Reminder of key dates

Date	What's on?
<b>Monday 13<sup>th</sup> November</b>	After school booster sessions start. The timetable is on this letter.
